

## MUKPO INSTITUTE

Re: Financial Assistance

Dear Mukpo Institute Applicant:

In regards to your request for financial assistance to attend Mukpo Institute, below is an application that we would ask you to complete and return to the Institute. Please understand that the availability of scholarships depends entirely on donors. In addition, we may not know if we can offer you a scholarship until shortly before the start of the semester for which you are applying. Nonetheless, it would help us to know your needs and we would like to work with you to find a way to finance your participation in this intensive practice and study opportunity. The more we know about you, the more likely we will be able to appeal to potential donors on your behalf.

As it may not be possible to count on scholarship assistance, please consider seeking sponsors or donors on your own. This is formally known as the practice of Dana, and gives people the opportunity and merit to participate in your dharma education. Some people have organized auctions, musical events or other benefits for friends and sangha, and have raised funds in this way.

Please do not hesitate to contact me with any questions you have about this at [info@mukpoinstitute.org](mailto:info@mukpoinstitute.org) or 802-633- 2384 x109.

For the benefit of all beings,

David Purcell
